

Government of Karnataka Department of Technical Education

JSS POLYTECHNIC

DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING

Faculty Profile

Name: SNEHA S

Qualification: BE., M.Tech.,

Designation: Lecturer

Years of Teaching Experience: 14 Years

Subjects Handled: Elements of Electrical Engineering, DC Machines & Alternators, Transformers & AC Motors, Transmission & Distribution, Transmission, Distribution & Utilization, Embedded Systems, Transformers & Alternators, FEEE Lab, Electric Motors, Electrical Utility Engineering, BCS Lab

Additional Responsibilities: Worked as Sports Coordinator for District level Volleyball & Throw ball Tournament.

Trainings attended during last three years: Different Faculty Development Programs were attended.

Sl No	Name of the Faculty	Subject	Date	No of Days
	l	2020-2021		
1	Sneha S	Sensors and their Applications	13-7-2020 to 17-7-2020	05
		Micro controller and analog and Digital Electronics	20-7-2020 to 25-7-2020	06
2		NBA Frame work for outcome Based Education	17-8-2020 to 21-8-2020	05
3		Research Avenues in Health Care Technology	21-7-2020 to 25-7-2020	05
4		Upskilling for the future: Technical innovations & Reaearch Opportunities in Power Engineering	10-8-2020 to 14-8-2020	05
5		PCB Design	29-6-2020 to 03-7-2020	05
		2021-22		•
1	Sneha S	Advances in Electric Vehicles	28-6-2021 to 02-7-2021	05
2		Power Generation and Control	02-8-2021 to 06-8-2021	04

2022-23							
1	Sneha S	Inculcating human Values in technical Education	6-6-2022 to 10-6-2022	05			
2		Project Management Skills	27-6-2022 to 29-6-2022	03			
3		Outcome based Education	28-12-2022	01			
2023-24							
1	Sneha S	Opportunities and Challenges in Entrepreneurship	3-1-2024 to 19-1-2024	17			
2		Viksit Bharath 2047-Role of Enginnering Faculty	29-1-2024 to 2-2-2024	05			

Signature of Faculty
